

Oceanic Consultants expand in Canada, US

BS REPORTER
Chandigarh, 1
September

Overseas Educational consultant Oceanic Consultants Private Limited has tied with universities in Canada and US to help students from the country pursue overseas education.

Oceanic Consultants CEO, Naresh Gulati maintained the foray into Canada and USA was an attempt to provide wider options to the students interested in studying

In the first year of its foray into Canada and the US, Oceanic Consultants expects to recruit 1,200 students

overseas especially because each student has individual goals and aspirations.

In the first year of its foray into Canada and the US, Oceanic Consultants expects to recruit a total of 1,200 students into the educational institutions in the North-American countries.

Naresh Gulati said Oceanic Consultants Australia (OCA) Group would be investing AUD 10 million for setting up 70 offices across India to grow its international student recruitment business in India.
