

STUDY ABROAD

Oceanic Consultants, an overseas education consultancy based out of Chandigarh, in collaboration with 30 international institutions has launched a national drive, Dream Start 2011. The programme will offer more than 35 students across India an opportunity to study at participating institutions without paying any course fee. The programme is estimated to offer course fee waivers in excess of Rs4 crores. For details, visit www.dreamstart.oceanicconsultants.com or call 0172 3300300.
